(SRI H. M. CHANNABASAPPA)

to safeguard the interests of both the municipality and the raiyats. Immediately on receipt of that report, Government will take stock of all aspects of the question and see that something is done in the matter.

ಶ್ರೀ ಟಿ. ಎಚ್. ಮೂಡಲಗಿರಿ ಗೌಡ.—ಸುಮಾರು 30 ವರ್ಷಗಳಿಂದ ಈ ಪ್ರಶ್ನೆ ಅಸೆಂಬ್ಲಿಯಲ್ಲಿ ಚರ್ಚೆಯಾಗುತ್ತಿದ್ದರೂ, ಮುನಿಸಿಪಾಲಿಟಿಯವರು ತೀವ್ರಾ ಲೋಚನೆ ಮಾಡುತ್ತಿದ್ದರೂ ಸರ್ಕಾರದವರು ಈ ವಿಷಯದಲ್ಲಿ ಮುನಿಸಿಪಾಲಿಟಿಯವರಿಗೆ ಕೊಡುತ್ತಿರುವ ಉತ್ತರ ನೆರವಾಗಿಲ್ಲ ಎಂಬುದು ಸರ್ಕಾರದ ಗಮನಕ್ಕೆ ಬಂದಿದೆಯೇ ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚೆನ್ನಬಸಪ್ಪ.—ಸರ್ಕಾರದವರ ಸಹಾಯವಾಗದಿದ್ದರೆ ಇಷ್ಟರ ಮಟ್ಟಿಗೆ ಈ ಕೆರೆಯ ಅಭಿವೃದ್ಧಿಯಾಗುತ್ತಿರಲಿಲ್ಲ. ನಮ್ಮ ಉದ್ದೇಶ ಇಬ್ಬರಿಗೂ ಸಮರ್ಪಕವಾದ ರೀತಿಯಲ್ಲಿ ಇತ್ಯರ್ಥವಾಗ ಬೇಕೆಂಬುದು. ಇದಕ್ಕಾಗಿ ಮಾನ್ಯ ಸದಸ್ಯರು ಇದನ್ನು ಬಗೆಹರಿಸುವುದಕ್ಕೆ ಏನೇನು ಸಲಹೆಗಳನ್ನು ಮಾಡುತ್ತಾರೋ ಎಂದು ನಾವು ಕಾದು ನೋಡುತ್ತಿದ್ದೇವೆ. ಮಾನ್ಯ ಸದಸ್ಯರು ಬೇಗ ಆ ವರದಿಯನ್ನು ಕಳುಹಿಸಿದರೆ, ಉಭಯತ್ರರ ಹಿತವನ್ನು ಸಾಧನೆ ಮಾಡುವುದಕ್ಕೆ ಸರ್ವ ಪ್ರಯತ್ನವನ್ನೂ ಮಾಡುತ್ತೇವೆ.

Admission to Medical Colleges

*Q.—473. Sri A. S. PATIL (Nargund).—

Will the Government be pleased to state :—

(*a*) the number of students admitted in 1959 for pre-medical course in Government Medical Colleges in Mysore and Bangalore and for 1st M.B.B.S. class in the Karnatak Medical College, Hubli ;

(*b*) on what basis, the number of seats are distributed for admitting students from all Districts of Mysore State, to various Government Medical Colleges in the State;

(*c*) whether they are aware that students coming from seven Districts namely 4 Districts of Bombay Karnatak and 3 Districts of Hyderabad Karnatak are not provided with adequate number of seats in the Karnatak Medical College, Hubli;

(*d*) whether they are taking steps to increase the seats in the various Government Medical Colleges, with a view to distribute seats equitably and to satisfy the reasonable demand for seats from students seeking admission in the Government Medical Colleges ?

*A.—Sri K. K. HEGDE (Minister for Health) [on behalf of SRI ANNA RAO GANAMUKHI (Minister for Education)].—

(*a*) No admission to pre-medical was made in Mysore and Bangalore in 1959. In Karnatak Medical College for 1st Year M. B. B. S., 80 students were admitted

(*b*) Candidates who had passed the prescribed examinations from the Karnatak University or equivalent examinations were admitted to the Karnatak Medical College and candidates who had passed the prescribed examinations from the Mysore University or equivalent examinations were given admission to Medical Colleges at Mysore and Bangalore. Seats were not distributed districtwise.

(*c*) The Karnatak University accorded permission to fix the number of admissions at the Karnatak Medical College at 80 for 1959-60.

(*d*) Yes.

Sri A. S. PATIL.—To my question (*c*), the answer given is not correct. Is it not a fact ?

Sri K. K. HEGDE.—It is quite correct because in other areas we have not admitted students to the pre-medical course. It is only in Karnatak University that we have admitted.

Sri A. S. PATIL.—Is the provision of seats made adequate for these areas ?

Sri K. K. HEGDE.—In the year 1958 out of 219 seats we allotted 68 seats for Bombay Karnatak and Hyderabad Karnatak excluding 15 students that were allotted to the Hyderabad Karnatak students in the Andhra University. In the year 1959 we have not admitted any student from the old Mysore to the pre-medical course. Only 80 students were allowed to sit for pre-medical course and the seats were restricted to Bombay Karnatak and Hyderabad Karnatak as stipulated by the Karnatak University regulations.

Sri A. S. PATIL.—It is not a fact that many students from old Mysore and Coorg were admitted last year to Karnatak University ?

Sri K. K. HEGDE.—The Karnatak University regulations lay down that candidates who have passed from that university are eligible for admission in that medical college. Out of 80 seats, 51 seats were allotted to Bombay Karnatak area and 25 seats to Hyderabad Karnatak area and 4 seats were given to students from old Mysore because those students passed through the Karnatak University.

Sri G. B. SHANKAR RAO.—May I know whether the number of seats in the college has been fixed on the basis of areawise or whether any definite number is fixed?

Sri K. K. HEGDE.—We intended to increase the number to 160. Since the Karnatak University did not agree to start the pre-medical course we had to allot these seats to the Karnatak University exclusively. From this year they intend to start pre-medical course and we will allot on state wise basis and not on districtwise basis.

ಶ್ರೀ ಬಿ. ಕೆ. ನಾಗೂರ್.—1959ರಲ್ಲಿ ಕರ್ನಾಟಕ ಕಾಲೇಜಿನಲ್ಲಿ 80 ಜನ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಸೀಟ್ ಸಿಕ್ಕಿವೆ ಎಂದು ತಿಳಿಸಿದೆ. ಈ 80 ಜನ ವಿದ್ಯಾರ್ಥಿಗಳ ಪೈಕಿ ಕರ್ನಾಟಕ ಮತ್ತು ಹಳೆ ಮೈಸೂರು ಯೂನಿವರ್ಸಿಟಿಯಿಂದ ಎಷ್ಟೆಷ್ಟು ಜನ ವಿದ್ಯಾರ್ಥಿಗಳು ಹಾಗೇ ಬಂದರು. ರಿಟ್ ಅರ್ಜಿಗಳ ಮೂಲಕ ಎಷ್ಟು ಜನರು ಬಂದರು ?

ಶ್ರೀ ಕೆ. ಕೆ. ಹೆಗ್ಗಡೆ.—ಇದರಲ್ಲಿ ಬಹಳಮಟ್ಟಿಗೆ ಎಲ್ಲರೂ ಕರ್ನಾಟಕ ಯೂನಿವರ್ಸಿಟಿಗೆ ಸೇರಿರತಕ್ಕ ವರಿಗೇ ಪ್ರವೇಶ ದೊರಕಿದೆ.

ಶ್ರೀ ಜಿ. ವೆಂಕಟೇಗೌಡ.—ಈ 80 ಜನರಲ್ಲಿ ಯಾರೂ ರಿಟ್ ಅರ್ಜಿಯನ್ನು ಹಾಕಿರಲಿಲ್ಲವೇ ?

ಶ್ರೀ ಕೆ. ಕೆ. ಹೆಗ್ಗಡೆ.—ಇಲ್ಲ.

Sri C. K. RAJAIAH SETTY.—In view of the pressure from applicants for admission into medical colleges, will the Government think of starting pre-medical course either at Bangalore or Mysore ?

Sri K. K. HEGDE.—It does not arise. We are admitting the students to the pre-professional course and they cannot be admitted to pre-medical course.

Sri F. H. MOHSIN.—May I know whether nationality of a student or the university from which a student passes will be taken into consideration for giving admission into this college ?

Sri K. K. HEGDE.—The Karnatak University has stated that nationality need not be considered but only the university qualification should be considered.

Sri F. H. MOHSIN.—It is not a fact that students who have passed their examinations in Poona have been admitted here ?

Sri K. K. HEGDE.—I do not have that information. According to the figures I have, 51 students from Bombay Karnatak area have been admitted.

Sri A. R. KARISIDDAPPA.—May I know the steps taken by the Government in respect of answer to (*d*) ?

Sri K. K. HEGDE.—We have addressed the Government of India to permit us to admit 150 boys in the Bangalore Medical College and 1 0 boys in the Mysore Medical college ?

Sri A. R. KARISIDDAPPA —Supposing the Central Government permits, is there no other difficulty to increase the number ?

Sri K. K. HEGDE.—If the Central Government agrees, we will surmount other difficulties.

ಶ್ರೀಮತಿ ರತ್ನಮ್ಮ ಮಾಧವರಾವ್.—ಸೀಟುಗಳನ್ನು ಹೆಚ್ಚಿಗೆ ಮಾಡಿದ್ದರ, ಮುಂಚೆಯಂತೆಗೇನಾದರೂ ರಿಜರ್ವೇಷ್ ಇದೆಯೇ ?

ಶ್ರೀ ಕೆ. ಕೆ. ಹೆಗ್ಗಡೆ.—ಹಾಗೆ ರಿಜರ್ವ್ ಮಾಡದೇನೇ ಸ್ತ್ರೀಯರಿಗೆ ಈಗ ಸಾಕಷ್ಟು ಪ್ರಮಾಣದಲ್ಲಿ ಸೀಟುಗಳು ಸಿಕ್ಕಿವೆಯೆಂದು ಗೊತ್ತಾಗಿದೆ.

Sri C. J. MUCKANNAPPA.—In view of the difficulties experienced by the students, will the Government consider starting another medical college either at Bangalore or at Bellary ?

Sri K. K. HEGDE.—The Government have that idea in view but it is not possible to start either at Bangalore or at Bellary.

ಶ್ರೀಮತಿ ಕೆ. ಎಸ್. ನಾಗರತ್ನಮ್ಮ.—ಈಗ ತಾನೆ ಮಾನ್ಯ ಮಂತ್ರಿಗಳು ಸ್ತ್ರೀಯರಿಗೆ ಸಾಕಷ್ಟು ಪ್ರಮಾಣದಲ್ಲಿ ಸೀಟುಗಳು ಸಿಕ್ಕಿವೆಯೆಂದು ಉತ್ತರ ಹೇಳಿದರು. ಆ ಸಾಕಷ್ಟು ಪ್ರಮಾಣದ ಪ್ರಪೋರ್ಷನ್ ಎಷ್ಟೆಂಬುದನ್ನು ತಿಳಿಸುವುದಕ್ಕಾಗುತ್ತದೆಯೇ ?

ಶ್ರೀ ಕೆ. ಕೆ. ಹೆಗ್ಗಡೆ.—ನಮ್ಮ ನೆರೆಹೊರೆಯ ರಾಜ್ಯಗಳಲ್ಲಿ ಸ್ತ್ರೀಯರಿಗೆ ಶೇಕಡ 20 ರಷ್ಟು ಸೀಟುಗಳನ್ನು ಕಾದಿಟ್ಟಿದ್ದಾರೆ. ಆದರೆ ನಮ್ಮಲ್ಲಿ ಅದಕ್ಕಿಂತಲೂ ಹೆಚ್ಚಿಗೆ ಸೀಟುಗಳು ಸ್ತ್ರೀಯರಿಗೆ ಸಿಕ್ಕಿವೆ.
